

Preserving the Watershed

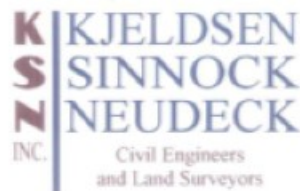

Art by: Lizzy Seely 6th Grade

SCHOOL OUTREACH PROGRAM NOVEMBER 2016

With a grateful spirit we would like to acknowledge our partners and sponsors who made this calendar project a reality.

2

Our Engineering Firm, helping us keep our sewer systems flowing.

Our Chemical Company, providing service and product to help treat our wastewater.

Our Law Firm, keeping us up to date and on top of all legal matters.

Our Consulting Firm, aiding in many projects such as Permit Compliance.

Our outside Laboratory Testing Company, helping us keep in compliance with the regulations of the State of California.

SAN ANDREAS SANITARY DISTRICT EMPLOYEES

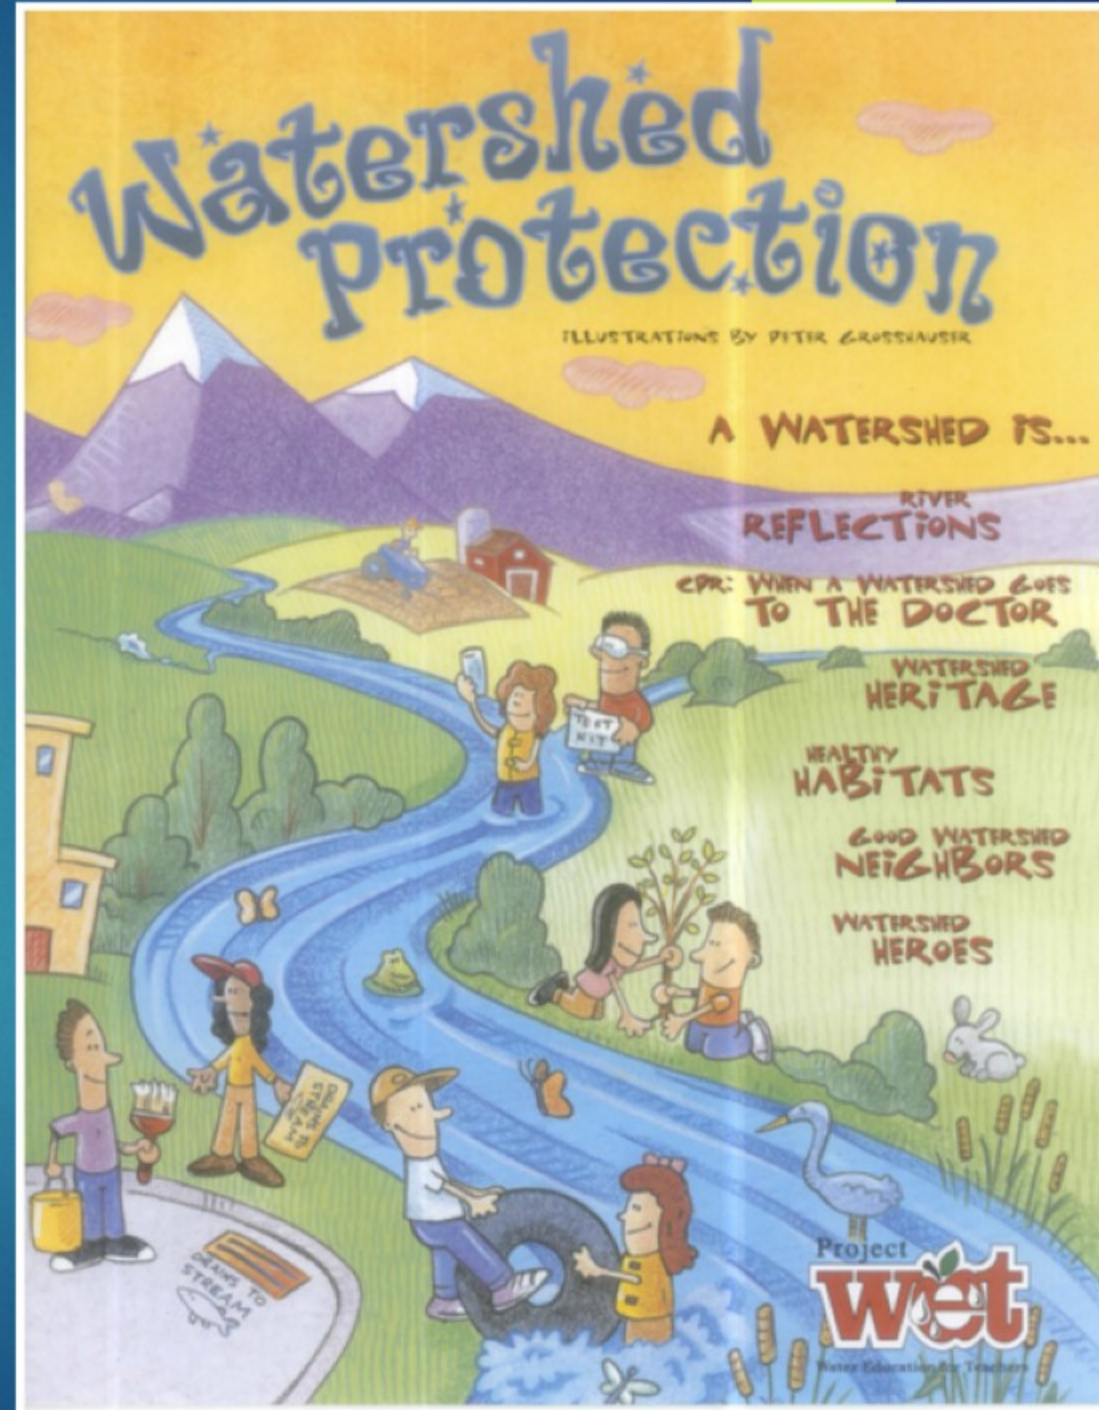

SCHOOL OUTREACH: WHAT WE DO

- Partner with San Andreas Elementary School, 4th, 5th, and 6th Grades
