NOTICE TO SAN ANDREAS SANITARY DISTRICT CUSTOMERS

At the regular Board of Directors Meeting on Thursday March 12th 2020 at 8:00 a.m., the District will consider a 1.47% increase to all sewer rates starting July 1st. For residential customers, this results in an increase of \$1.00/month, to \$69.00 per month.

The maximum rate the District could have considered is \$73.73/month, as established in 2016 in accordance with California Constitution Article III XD, Section 6, also known as Proposition 218. The Board continues to keep sewer rates lower than the maximum allowed, by actively pursuing grant funds from the State Revolving Fund and the USDA Rural Community programs to fund its necessary projects.

If you have questions, please feel free to contact our District Office.

Sincerely,

San Andreas Sanitary District
