NOTICE TO SAN ANDREAS SANITARY DISTRICT CUSTOMERS

On Thursday, March 21st 2023 at 8:00 a.m., the District's Board of Directors will consider a 2.8% increase to sewer rates starting July 1st. For residential customers, this would result in an increase of \$2.00/month, to \$74.00 per month.

The maximum rate the District could consider is \$76.24/month, as established in 2016 in accordance with California Constitution Article III, Section 6, also known as Proposition 218. The District has been successful with obtaining grants and low-interest loans for infrastructure projects the past few years, which affords us the ability to keep rates lower than the maximum.

If you have questions, please feel free to contact our District Office.

Sincerely,

San Andreas Sanitary District
